PERSONAL PROFILE

I am a Web Developer specializing in WordPress

I develop WordPress and Woocommerce websites using builders such as Elementor, Divi Theme, and Bricks Builder. I apply all the websites necessary tools such as SEO, security, speed optimization and Google Analytics.

I have a background in HTML, CSS, and PHP.

I also do graphic design in Adobe Photoshop, Adobe Illustrator, and Canva.

I supported numerous marketing teams from the past by creating their websites, social media ads, and print designs.

I've been a team leader in a company for 6 years.
